With reference to your letter No. L. 7538/M.L. 137-26-25-7 dated 2-5-1929, asking me to request the Municipal Council of Hassan to take early steps to levy profession or shop tax within the Municipality, I have the honour to forward herewith for information, a copy of the Municipal President's letter no. 1669/28-29 dated 3-5-1929, and to state that I have this day replied to him that under clause XI of Section 59 of the Municipal Regulation as amended by Regulation IV of 1926 there is no objection to introduce both the mohatarfa shop tax and professional tax within the Municipality as observed by him and that the Municipal Council may take steps to frame necessary bye-laws in this behalf and introduce these taxes into the Municipality early. I have also forwarded to him a copy of your letter under reference.

Letter No. 1069/28-29 dated 3rd May 1929, from the President, Town Municipal Council, Hassan, to the Deputy Commissioner, Hassan District.

With reference to your memo No. 979-27 dated the 25th February 1928, I have the honour to state that the levy of Bharamagga fees and recovery of Rahadari fees were discontinued from 1st May 1929.

As regards the reimposition of the shop tax or levy of professional tax, the managing committee has been requested to send their recommendations before the next ordinary meeting of the Municipal Council It would not be out of place to mention here, that the reimposition of shop tax and levy of professional tax would offend sub sections X and XI of section 59 of the Municipal Regulation and hence further correspondence regarding the levy of both would be unnecessary. I have put up a note on the subject which will be considered by the Managing committee and the council and either of the two, the council may elect to reimpose or impose respectively, will be included in the Budget estimates. In case professional tax is to be imposed regard will be paid to sections 60, 61 and 68 of the Municipal Regulation.
